DAILY MANAGEMENT BOOT CAMP

WHAT IS DAILY MANAGEMENT?

- A visual, metrics-driven, collaborative problem-solving process
- Prioritizes the most important process metrics in your company
- A system to help you achieve breakthrough results consistently
- Focuses on improving the process, not blaming people
- Participants act as owners, encouraging problem-resolution as a team
- Holds team members accountable to drive predictable, productive work
- Ideal for team-based departments
- Used by any department that has an objective goal, process-based workflow that produces any type of output

WHEN DO I APPLY DAILY MANAGEMENT?

- Daily Management should be applied early to identify the most critical Key Performance Indicators necessary to drive the Department or Business Objectives.
- Once Daily Management is established and you know clearly where you are Winning or Losing, Apply targeted "Kaizen" Continuous Improvement events to course correct.
